Commissioner

"...For the Students, by the Students!"

Associated Students, Inc. A.S.I. Cabinet of Commissioner's Application 2017-18

Application Ref ID: 3087 | Submitted: Friday, September 29, 2017 - 12:32pm

First Name:	Javier	Monday:	9am-11am
Last Name:	Moro	Tuesday:	
Position:	Environmental Policy Commissioner	Wednesday:	9am-11am & 12pm-6pm
Major:	Political Science	Thursday:	1pm- whenever
Class:	Junior	Friday:	9am-11am & 12pm - whenever

1. What previous experience have you had in the area in which you are applying for?

I am currently in the environmental policy committee. I volunteered for Bernie 2016 so I have a good understanding of how the environment works.

2. State briefly why are you are applying and/or are interested in this position

I love the environment... I love going out to hikes at Kenneth Hahn or Runyon Canyon in Hollywood. I love going to beaches because there's always a small chance of seeing some aquatic animal. I hate, however, in the fact that the city built pipelines under Runyon and how smoggy the city looks when I go hiking sometimes. I have a good understanding of the sciences that go along with the environment and how to clean the environment. With all that being said I know I'll be a great fit to be the environmental policy commissioner

3. What do you feel are some of the major problems facing the students of CSULA?

Student parking and finance.

4. List activities and/or organizations that you have been involved with (on or off campus)

Wendy Carrillo for District 34, Bernie 2016, and CSULA Sanders club

Class:	Sophomore	Friday:	10AM to 11PM & 12:00PM to 2PM

1. What previous experience have you had in the area in which you are applying for?

Being in the A.S.I. Scholarship & Awards Ad Hoc Committee would require lots of communication skills which I know I'm trained well for as I have been in the Publications Chair in high school. I have had several jobs in which my position have been cashier and I don't get timid talking to strangers or meeting new people.

2. State briefly why are you are applying and/or are interested in this position

I would like to be a part of an organization that helps others while I am being a part of opportunities the school and ASI has to offer. I'd like to learn more about the Student Achievement Scholarship, Book Voucher Award Program, and the Raul Henderson scholarships and awards while also getting involved with the school.

3. What do you feel are some of the major problems facing the students of CSULA?

One main issue about campus would be that groups and organizations don't advertise their meetings and events as much as they should. As for me, I knew I wanted to be involved, although I didn't actually know how to start and I believe joining ASI would be a good start to getting involved.

4. List activities and/or organizations that you have been involved with (on or off campus)

I have always had an interest in dance, so I try to take hip hop, bachata, and contemporary classes whenever I can. I have take the hip hop classes here at the school gym on Mondays and Wednesdays at 8:00pm although besides that I haven't actually committed to a specific organization to the school.
