## **I. Mission**

Cal State LA's mission is to encourage students to participate in civic engagement and learning opportunities. Providing civic learning opportunities by developing experiences and training in community involvement. Innovating students, staff, and faculty with training and educational opportunities to innovate active citizens.

## **II. Value**

Cal State LA is committed to increasing the student and institutional participation to increase the voting rates and democratic participation on campus. Increasing participation on campus by empowering active democracy with the support of the institution. Using the National Study of Learning, Voting, and Engagement (NSLVE) to strategically assist students with voting participation.

## **III. Short term goals (6 to 12 months)**

- Coordinate at least one town hall meeting once per school year to encourage voter participation.
- Provide adequate voter registration training to all ASI members and volunteers.
- Hold voter registration tabling events four times in a semester.

#### **IV. Long term goals (18-24 months)**

- Host an annual National Voter Registration Day event with multiple partnerships from clubs, organizations, and school departments including the Center of Engagement, Service and the Public Good.
- Provide voter registration opportunities for all ASI events by Summer of 2019.
- Making voting registration as part of the class registration requirement by Fall of 2020.
- Create a polling place for students to vote on campus.

#### **V. Stakeholders**

- Invite the Los Angeles County Registrar to voter registration and education events.
- Participate with the LA Country Registrar office, community representatives, and District 32 for voter registration and education.
- Active Participation in the NASPA conferences, workshops, and learning opportunities.
- Positive impact in their communities.
