3. What do you feel are some of the major problems facing the students of CSULA?

Aside from the obvious parking situation, one of the problems students face include; our communication and reach to programs workshops and benefits of graduating or beneficial opportunities while attending CSULA. Another is our shortage of power outlets, i see students sitting in odd places(hallways, outside of buildings) to get a quick charge.The charging stations we do have are limited and usually congested.

4. List activities and/or organizations that you have been involved with (on or off campus)

I am currently involved in Public Relations Student Society of America, involved in Social Media Committee.
