

Wellness Fair 2018

- I. Summary
 - a. “The purpose of the health fair is to educate Cal State L.A. students regarding health issues that may specifically pertain to their needs and concerns in an enjoyable, thought provoking, and interactive environment. Students will have direct networking opportunities along with being able to understand and evaluate their well-being. Also, this will benefit students to find internships and volunteer locations if the organizations provide them. The health fair will target the Health and Human Services population, but it is open to all faculty, staff, and general population.”
- II. Objective
 - a. As the Rongxiang Xu College of Health & Human Services Representatives, we believe in advocating for health awareness. The Wellness Fair will offer students the opportunity to be more involved with student organizations and local organizations to grasp better knowledge towards what wellness entails. Students will be able to learn more about services provided on and off campus with regards to health and wellness.
- III. Mission
 - a. An event to increase student knowledge towards health and wellness, as well as increase interaction with student orgs. and off campus volunteer or internship opportunities.
- IV. Description
 - a. We are requesting funding for the equipment rental cost, event decorations and to be able to provide students with additional programming for the event, which include interactive activities, possible speaker(s), etc.
