

Board of Directors Report

Neyda Umana, Vice President for Academic Governance

11/14/2017

Meetings and Events

1. Open Deliberation
 - a. Success! Scheduled debrief for November 30th to evaluate the program and review information gathered from students.
 - b. Tabling the week prior and of the event with other ASI members definitely helped the turn out. Club visits and class presentations also helped. Thank you!
2. Cabinet of Academic Senators
 - a. Held on 11/8. Reviewed Executive Senate Codes and assigned Executive Offices. We will be setting goals for Spring 2018 and discussing possible initiatives.
3. Graduate Representation in the BioChemistry Dept.
 - a. Met with Dr. Allison McCurdy to discuss the addition of a graduate student seat to the Bio Chem Graduate Studies Committee. ASI will be assisting with appointing and recruiting students, and a partnership with that department will be established.

Shared Governance Council

1. The addition of an Undergraduate Academic Senator on the Academic Senate
2. Committee Reports and Attendance Verifications are due by **Monday, November 27th, 2017**
3. Policy revisions

Upcoming/Ongoing Projects

1. Pending meeting with Rosa Chavez to organize committee data
2. Civic Entrepreneurship Team
 - a. Civic and Social Entrepreneurship Summit Dec 7th & 8th
