<i>Committee</i>	<i>Date &amp; Time</i>
Faculty Policy Committee	10/16/2014 11:40-1:20PM

**II. Topics Discussed at committee meetings:**

There wasn't enough members to reach quorum, so we discussed general topics. One topic that we talked about was the student survey opinions, and how to get students to do them. We also discussed faculty workload, and what the amount of units, research, and other campus activities (like office hours) faculty members should partake in. Finally, we discussed dates on when applications for RTP file closure dates for applications.

**III. Recommendations:**

The only recommendations was moving the RTP file closure date to early November. Other than that, because we didn't reach a quorum, we didn't recommend anything else.

**IV. What support is requested?**

I gave Sharon, the chair of the committee, Nick's email address, because she is requesting that Nick looks over two graduate people who would potentially fill up the graduate representative position.
