<i>Committee</i>	<i>Date & Time</i>
Faculty Policy Committee	10/23/2014 11:40-1:20PM

II. Topics Discussed at committee meetings:

There was a brief discussion about how the handbook needs to be updated for semester conversion. The committee is also sending a memo to the exec for the Faculty Visioning Report, recommending that 5.4 and 5.11 should be omitted. Following we had a discussion about RTP closure dates for 2016-2017 academic year. We compared different CSU campuses, and we have approximate dates of when the deadlines could be. Not set in stone, however. Evaluation polices will be discussed next week. Finally, we had a discussion of the Faculty Workload. The biggest problem is that research isn't part of the workload, but in the contract, faculty members must participate in some form of research, for example, attending conference meetings. In the CBA, there is 14 factors that contribute to workload. (20.4 B). It was also discussed of a possibility of faculty deciding how to spread the units of what they want to teach, but it would be too time consuming.

III. Recommendations:

Just the recommendation on the omitting parts of the Faculty Visioning Report.

IV. What support is requested?
