Faculty Policy Committee	11:40-1:20PM 10/30/2014

II. Topics Discussed at committee meetings:

Announcement on the memo that was sent last week to the Faculty Visioning Report, and they appreciate the feedback. The report from the exec was that she is working on revisions for the faculty handbook, mainly chapters 4 and 5. There is nothing in the academic senate at the moment. For the electronic Working Personnel Actions Files, it is being forwarded to the academic senate as is. For the RTP closure dates, we almost finalized the preferred dates that we, as a committee, would recommend. Finally, the workload expectations, we looked at two documents that was started in March, and we are carefully revising that to talk more about faculty workload and responsibilities. Also, the question of "what is research" came up and there was a brief discussion on that.

III. Recommendations:

None.

IV. What support is requested?

None at the moment.
