There was objection to an Anthropology 3200 course for fall 2016, however after debate the objection was dropped and the course was approved. Another objection was brought up by the Pan-African department against an Art 3700 class. The PAS department felt that the course did not deserve an R.E designation (Race & Ethnicity) because it lacked serious academic readings that are fundamental and without it students would not be able to comprehend the material correctly.
