

**1. Shared Ballot:**

ASI and USU share the ballot during general election voting dates: 5/9 – 5/11

The Ballot is generated by ITS. ASI and U-SU will each pay specific costs for building our portion of the ballot

ASI candidates are listed on the ballot, then U-SU BOD positions

**2. U-SU would also like to extend additional opportunities for easy collaboration (the ideas were initiated in collaboration with ASI staff and elections chair):**

<b>May 4<sup>th</sup></b>	Meet the candidates night, 3:15 – 4:15 plaza, tabling and or mikes.
<b>May 9<sup>th</sup></b>	Rock the vote, multiple voting stations as vote free ticket to in and out, king taco, pinks (funded by U-SU)
<b>May 9 – May 11</b>	Voting
<b>May 12</b>	Announcement
<b>Publicity</b>	Designed by U-SU Graffix. U-SU donates graphic design, ASI and U-SU share the cost of printing. Table tents, flyers, etc.

3. Joint election is not possible this year as U-SU has events, dates and procedures already planned.
4. Future Joint election may include planning the election process calendar, merging election guidelines, sharing expenses, possible inclusion of U-SU BOD candidates within ASI platforms.
5. Discussion can be initiated with U-SU BOD to investigate future shared ballots and/or joint elections processes and procedures.
