Here's what was sent to Miguel. We haven't received a response.

Miguel, I'm looking through my files and I don't see a hard copy anywhere. That's why soft copies are always best. Still, reading the copy Sam provided, I recognize this as a proposal presented to the Cabinet of College Reps on October 29th by Megan Dia (listed as one of your event coordinators). At that time, it was discussed and the group decided to move in another direction. Since then, Megan has partnered with the first gen students and the Health Center to coordinate a 5K run/walk in conjunction with [HHS Smile Week](#). Have you had any communication with her regarding that decision? Are there expectations from Athletics regarding this event? I left a message for Sheila, but haven't heard back.

When you didn't get a response from myself, Sam, or Megan, I'm wondering why you didn't follow up or respond to the Calendar Draft Review Request that was sent out on March 9th. Perhaps, if this was an oversight, we still could have rectified it at one of our meetings. In January, I attempted to set up our weekly one-on-one meetings with you, but haven't seen or heard from you since February 2nd. I also hoped to catch you at a COC meeting, but unfortunately you didn't attend the January 22nd, February 5th, nor February 19th meeting. We've looked for you during office hours as well, but remain without contact since Spirit Week.

Student success is our priority and I want to make sure you have the support you need. Sometimes the hardest part is just asking for it. Know that I remain here to assist you, no matter your position in this organization and/or on campus.

In solidarity,

Marcus

Hello Sam,

I had actually submitted my Program Proposals for the Spring 2016 academic quarter right before the start of the Winter quarter. They were submitted as a physical copy together with the proposals for the Winter quarter on November 4, 2015 to Marcus.

Attached are the copies of the Program proposals that were submitted.

Miguel,

It has come to my attention that no program proposals were submitted from you for the spring quarter. This is unfortunate as there are many possibilities to engage the campus community in the spring quarter.

Due to a lack of performance, I am feeling immense pressure from my constituents to reopen the spirit commissioner position and review interested candidates.

You have grown immensely this year and have been presented with great opportunities here at Cal State LA and I feel that ASI may be holding you back from your potential within these new positions. In an effort to see you and the spirit commissioner position succeed equally, I must ask you to resign from your position as spirit commissioner. If no resignation is submitted, I will be forced to follow the removal process in the Codes of Procedure below:

Section 6 – Specific Duties:

A. Spirit Commissioner

1. Under the direction of the VPA, work with A.S.I.'s Director of Programs and Leadership and Programs Coordinator to create a strategic marketing plan for building school spirit, promoting A.S.I. events, and recruiting members of the Screaming Eagles.
2. Recruit and develop Screaming Eagles programs and activities.
3. Organize and maintain school spirit initiatives and programs.
4. Initiate crowd participation at school athletic events.
5. Develop and implement a schedule of spirit programs for the academic year to be approved by the C.O.C. and the B.O.D.
6. Chair the Homecoming Committee and assist with the A.S.I. General Election.

Section 5 – Removal of Members

Any member of the C.O.C. may be removed from the committee on a recommendation from the Chair to the B.O.D. for more than two (2) consecutive unexcused absences, three (3) unexcused absences, or four (4) unexcused tardies or early departures during any one quarter.

If you have any questions please do not hesitate to ask me as I am available for guidance and direction.

Best,
