SUBJECT: Letter of Support to Send Both Marcus Rodriguez and Ashley Joseph to 2017 NASPA Western Regional Conference

On behalf of the Associated Students, Inc. I am sending this memo of support for both Marcus Rodriguez and Ashley Joseph to attend the 2017 NASPA Western Regional Conference held November 4-7, 2017 in Honolulu, Hawai'i. We decided to do so because we believe that the experiences and information that both individuals brought back from this conference last year were very beneficial to A.S.I. in regards to our trainings, programs, advocacy initiatives, etc. For that reason, within our budget, we have allocated money for both Marcus and Ashley to attend the 2017 NASPA Western Regional Conference and will support their professional development request to attend the 2017 NASPA Western Regional Conference.
