- b. Place visited: Alumni Association, Academic Senate, Career Development Center, Dreamers Resource Center, Center for Student Involvement, University Library, Education Opportunity Program, Veterans Resource Center, Pat Brown Institute, Tutorial/Writing Center, Anna Bing Arnold Childcare Center, EPIC, Center for Effective Teaching & Learning, Cross Cultural Center, Office for Students with Disabilities, Student Health Center, Information Technical Services, University Student Union, Environmental Health & Safety

## 2. Following Internship/Fellowship Model with A.S.I. positions

- a. New marketing campaign that emphasizes the skills a student can develop in these positions as opposed to emphasizing how they can serve the community. Might make the positions more appealing for students
- b. Compiling list of skills that one can develop in any position in A.S.I. and then specifically Lobby Corps, Golden Eagle Volunteer Street Team, Committees, and A.S.I. positions
- c. Will be discussed more in-depth at the next Executive Committee meeting

## 3. 1-Stop Shop for Students

- a. Jackie and I are working on compiling a list of services that the University offers to students. We will be visiting the websites for each of the places mentioned in the listening tour and take the services from there. We'll then confirm with them and others. We'll then incorporate them into the website
