- Enviromental Affairs  
Commissioner

"...For the Students, by the Students!"

# Associated Students, Inc. 2017-18 Committee Appointment Application

Application Ref ID: 3226 | Submitted: Friday, October 27, 2017 - 3:30pm

<b>First Name:</b>	Valerie	<b>Monday:</b>	11AM - 2PM
<b>Last Name:</b>	Kryger	<b>Tuesday:</b>	11AM - 3PM
<b>Position:</b>	Environmental Affairs Commissioner	<b>Wednesday:</b>	11AM - 3PM
<b>Major:</b>	Nutrition Science	<b>Thursday:</b>	11AM - 3PM
<b>Class:</b>	Senior	<b>Friday:</b>	11:00 AM - 2PM

**1. What previous experience have you had in the area in which you are applying for?**

I have actively volunteered for Enrich L.A., which is a non-profit group that installs sustainable school gardens in undeserved areas of Los Angeles. In addition, Enrich L.A. educates the students about the importance of gardens for reducing our carbon footprint, the importance of "pollinators" for sustaining global food supplies, etc.. I have also hosted both a "Food Waste" booth and a "Composting" booth, on campus, for World Food Day National Nutrition Month, respectively.

**2. State briefly why are you are applying and/or are interested in this position**

I am interested in all things that will benefit and improve the environment, both globally and locally. I would like to implement a Food Recovery Program on the CSULA campus that will help keep organic, methane producing, waste (AKA left overs from dining facilities on campus that is thrown in the trash) out of landfills. This "rescued" food could then be put into the mouths of those facing food insecurity, both on campus and in the surrounding community.

**3. What do you feel are some of the major problems facing the students of CSULA?**

As the CSU Chancellor's Report (2015) showed, 21 - 24% of Cal State students are food insecure (don't have enough to eat on a daily basis or don't know where their next meal is coming from). This can have a dramatic impact on their ability to succeed in academic life. The food pantry that exists on our campus is a huge help in this regard and I feel that a Food Recovery Program could support and increase the impact of that program.

**4. List activities and/or organizations that you have been involved with (on or off campus)**

I have been a member of both the Student Dietetic Association on campus and a student member of the Academy of Nutrition and Dietetics for the last 2 years. I regularly attend the monthly meetings of the Los Angeles Food Waste Prevention and Rescue Working Group, which works directly with the Los Angeles Food Policy Council.

**1. What previous experience have you had in the area in which you are applying for?**

Prior experience I have that I believe I can set forth on this position is event coordinating. I currently just finished an internship at Power 106. During my six month internship I was able to learn to communicate to different fields in the radio station to plan an event at the studio. I work at Nordstrom, where I also completed an internship then got hired as a visual representative . This position requires you to attend company wide meetings and give millennials ideas to refreshing the atmospheres for shoppers. I believe that this position is a combination of both communicating and panning in a timely manner in order to get something across. i strongly believe I can impact the Arts and Letters community.

**2. State briefly why are you are applying and/or are interested in this position**

I am highly interested in this position because I believe I have the skills to acquire to include in this position. This position interest me because, I always wanted to take action towards a student committee. A campus is more than where we just come to get educated is about learning what matters to students most. I would love to be a voice for our students.

**3. What do you feel are some of the major problems facing the students of CSULA?**

I am a third year here at CSULA, I witnessed our transition from quarters to semesters. Witnessing this take tool i also concluded that students aren't not graduating in the "4 year plan". This issue is leaded by so many factors, for example the number of admissions growing yearly. due to this we are having impacted classes. We need to get together as a campus wide body to make sure we are offering as many resources as possible.

**4. List activities and/or organizations that you have been involved with (on or off campus)**

- Studio Artist Visit (Power 106)
- Company Moving Forward Meetings (Nordstrom)
- Lit Crawl Los Angeles Event Volunteer (Open Mic)
