<b>First Name:</b>	Janielle	<b>Monday:</b>	
<b>Last Name:</b>	Eisma	<b>Tuesday:</b>	3-6pm
<b>Position:</b>	Housing Representative	<b>Wednesday:</b>	
<b>Major:</b>	Marketing	<b>Thursday:</b>	3-6pm
<b>Class:</b>	Sophomore	<b>Friday:</b>	12-3

**1. What previous experience have you had in the area in which you are applying for?**

Some previous leadership experience I've had are being an orientation leader, with that position I was able to teach and show incoming transfer and freshman students the resources we have on campus as well as teach them how to register for classes. Another experience that I feel relates to this job is being a welcome weekend volunteer, with this position I was able to showcase the benefits of housing on campus to incoming students moving in while teaching them the resources we have in the dorms. Lastly I feel that my current job ties my past experiences with this position I am applying for, I say this because I am currently a Information and Events front desk Aide, and with this job I book events in the meeting rooms of the University-Student Union for sponsors looking to have events and with this job I was able to learn what it takes to host events.

**2. State briefly why are you are applying and/or are interested in this position**

I am applying for the house of representative position because I feel that being Residence Hall Association President I know more of what the students want who live in the dorms, especially since I work very closely with the housing Resident Directors I am able to see what issues or events that are going on in housing. I also want to be able to be build a bridge between on campus departments such as ASI and housing so that the students who live on campus can have the opportunity to be more involved campus.

**3. What do you feel are some of the major problems facing the students of CSULA?**

I feel that some major problems students are facing in Cal State LA are that they are not involved enough. Being involved may be interpreted in many ways but just by going to athletic events is considered being involved, however students still don't take the advantage of being involved I feel because it is not advertised to them enough and because it is not eye catching to them enough which is one of the things I look forward to changing especially in the housing community.

**4. List activities and/or organizations that you have been involved with (on or off campus)**

- Residence Hall Association
- Orientation Leaders
- Miss Cardinal Ambassador

**1. What previous experience have you had in the area in which you are applying for?**

I have not had previous experience with doing budget analysis but I am interested and motivated for it. I currently work at the Financial Aid office assisting students and I do notice the need for proper assistance within our student community-regarding finances.

**2. State briefly why are you are applying and/or are interested in this position**

to put it briefly, I am interested in this position because I want to gain experience within the finance sector. I would enjoy to input some of my ideas with budgeting and would be privileged to vote. My friend from the F.M.A. club also sounds intrigued by his position as a Student Committee Member.

**3. What do you feel are some of the major problems facing the students of CSULA?**

Budgeting. A lot of times, I encounter students taking out loans for unnecessary 'wants'-even though a few semesters later, they were better off saving that loan to pay off school and make a budget for school supplies and books.

**4. List activities and/or organizations that you have been involved with (on or off campus)**

I have volunteered in City Year of Los Angeles; serving 100 hours of community service.
