

ASI Evaluation Plan

- Co-curricular opportunity
 - Partner with an evaluation course taught by Professor Ellen Shiau
 - Political Science, MPA Students
- Evaluation Plan
 - Identify key areas for evaluation
 - Provide a plan of action
 - Design tools needed for evaluation
 - Ie. End of year questionnaire for outgoing members
- Require interviews with staff and executive leadership to identify key areas of interest
- They will not be able to evaluate or analyze organization as this is an academic course for only one term, but they will set up the frame work needed for proper evaluation.
- This evaluation will not involve finances as that is a separate course, non-profit budgeting. That might be a next step.
