# 3.0 POLICY:

There are several levels of employee classifications, which are based on a combination of job responsibilities, experience, training, and/or demonstrated ability of skills. Student staff may be supervised by a professional staff member or ASL Executive Officer, and are hired on a temporary or limited basis.

- 3.1 Hours of Employment. When school is in session, student assistants may work up to, but not in excess of, 20 hours per week. Any requests for exceptions shall be submitted in writing to the direct supervisor, with copies sent to the ASL Executive Director for approval.
  - 3.1.1 Requests to work 21-40 hours per week when classes are in session shall be approved in advance.

- 3.1.2 During semester breaks, Student Assistants may work additional hours / (maximum 40 hours per week) when approved in advance by the A.S.I. Executive Director.
- 3.2 Salary Policy. The pay rate within the salary range for an individual employee is determined by comparing the duties and tasks assigned to the classification standards. The pay rate within the salary range for the appropriate classification should be determined as follows:
  - 3.2.1 Upon initial employment, consideration should be given to the employee's experience level and the corresponding pay rates of other student employees doing similar work.
  - 3.2.2 In order to encourage continuing employment for Student Assistants, the supervisor may recommend, and the A.S.I. Executive Director may approve, salary adjustments (increases). Student Assistants may be rewarded for outstanding performance, as indicated on the Student Assistant Performance Appraisal, which is competed before an increase is recommended.
