

Proposal for Committee Ordering Restructure with Executive Meeting Attendance

Purpose: The Purpose of this Proposal is to restructure the order of the Committees to allow for greater efficiency of the organization by allowing for more voices to be included in the Shared Governance of the Organization as well as faster turnaround time when something leaves a committee to get to the Board of Directors.

Legend:

SGC = Shared Governance Council

CCR = Cabinet of College Reps

COC = Cabinet of Commissioners

EPC = Environmental Policy Committee

CAS = Cabinet of Academic Senators

BOD = Board of Directors

Week 4	Exec (a) Bylaws & JRC (b)				BOD (c)		

Committee workflow:

**\*Policy Change required\*** Proposed Structure: All Committee work goes through Executive Committee, but Executives are pulled out of other committees to maximize BOD and Student involvement in those committees without fear from being overwhelmed by Executive voices. Plus, Executives and Chief Justice will be the only ones to chair committees.

SGC is divided into 3 components: College-Specific, Academic Senate, University-Wide.

Process of how something would get approved in the proposed structure:

**\*Goes through Bylaws if policy\***

External Committees	Sub-Committees/ Ad-Hoc Committees	Internal Committees	Executive Committee	Bylaws Committee	Board of Directors
	Club Funding=>	Finance =>			
		Personnel =>			
		Legislative Affairs =>			
College-Specific Committees	=>	CCR =>			
Academic Senate Committees	=>	CAS =>			
University-Wide.	=>	SGC =>			
		Strategic Planning Committee			

CAS = Chaired by an Academic Senator

CCR = Chaired by a College Representative

CCR & CAS Committee Reports will be compiled by chair of each committee and submitted to the VPAG to present at SGC
