Join us for an afternoon of animated short films made by students. The annual Senior Showcase at Cal State LA is hosted every Spring semester by the Gravitas Animation Society. This is a grand event that showcases the Capstone films made by Undergraduate students. Joining us this year, we have an MFA Thesis film from a Graduate student.

We inspire a higher standard of animation on campus by presenting our work at this special event. Industry professionals are welcome to attend, granting students the opportunity to make career connections. Come by Friday afternoon and support fellow students and classmates!
