

## College Representative Report

*Per the College Representative Code of Procedure Policy 018, each college pair is responsible for submitting one report and updates to the Cabinet Chair 72-hours before the cabinet meeting. Reports should cover college announcements, updates and speak to the following questions.*

College: Business & Economics \_\_\_\_\_ Date: 9/27/18 \_\_\_\_\_

Representative Name(s): Christopher Koo \_\_\_\_\_

- I. How did you complete your specific duties during this period in relation to the ASI policy? Please provide detail regarding the project(s) are you currently working on?

I have worked with my clubs to carry out my event, but my college has scheduled an extremely similar event the day after mine, so I will attempt to assimilate my event into theirs.

- II. What did you learn during this biweekly period? Do you have any comments or concerns that ASI can follow up on?

This biweekly has been slightly frustrating for me as I have had to rework and cancel my event due to the redundant events. I have realized that I need to seriously work on building relationships with my college.

- III. What are your goals for the upcoming semester?

My goal for the next semester is to make sure that I have an event that gives freshmen in my college the vision to help determine their futures. I also want to make sure that I am kept in the loop of my college.

- IV. How do you plan on helping resolve issues that constituents have?

I seek to make sure that they know that I am a resource that they can reach out to. Not many people have been reaching out to me but I hope that will change.
