- I. How did you complete your specific duties during this period in relation to the ASI policy? Please provide detail regarding the project(s) are you currently working on?

I have tried to establish a line of communication with my dean to limited success. I have begun networking with the clubs in my college in the club council to make sure that everyone is up to speed on policy.

- II. What did you learn during this biweekly period? Do you have any comments or concerns that ASI can follow up on?

My only concern this period is that it has been difficult to connect with my dean. I will try to set up a time to meet with him face to face.

- III. What are your goals for the upcoming semester?

I would really want my event to push club membership up and to reestablish the line of communication between my college's students and ASI.

- IV. How do you plan on helping resolve issues that constituents have?

I plan on giving clubs and ASI more exposure through my events and general marketing
