College: College of Education

Date: 9/23/18

Representative Name(S): Raul Rodriguez and Raymond Peters

- I. How did you complete your specific duties during this period in relation to the ASI policy? Please provide detail regarding the project(s) are you currently working on?

The GetSafe campaign is set for the 29th of this month. On September 20, 2019, me and Raymond addressed the faculty at the Saw meeting (School As A whole). We introduce faculty members to ASI and spoke on the goals we want to reach between ASI and CCOE this semester. We asked faculty for their support in addressing student involvement.

- II. What did you learn during this biweekly period? Do you have any comments or concerns that ASI can follow up on?

One area that the students have had deep concerns is advisement. Several students have expressed to me that they left advisement with more questions or they were confused on what was explained to them. I want to do a survey on exactly what is lacking in advisement and presented to the Office of Student Affairs. I like the flyer that Jacob made on advisement.

- III. What are your goals for the upcoming semester?

We want to do another GetSafe campaign, this first one sold out in just a few days.

- IV. How do you plan on helping resolve issues that constituents have?

We are planning to meet with the director of student services and plan with them on setting a couple of days that they can offer an advisement workshop.
