<b>First Name:</b>	Jorge	<b>Monday:</b>	After 4:20 PM
<b>Last Name:</b>	Salazar	<b>Tuesday:</b>	4:20 PM-7:20 PM
<b>Position:</b>	State Lobby Corp Officer	<b>Wednesday:</b>	After 4:20 PM
<b>Major:</b>	Business Administration-Finance	<b>Thursday:</b>	4:20 PM-7:20 PM
<b>Class:</b>	Sophomore	<b>Friday:</b>	After 3:00 PM

**1. What previous experience have you had in the area in which you are applying for?**

I have always liked to be up to date with all legislative matters, because at the end of the day it is what affects the society most. I do not have much actual experience with lobbying, however I have volunteered to canvas with local candidates seeking office by either making phone calls on their behalf, or even walked around the neighborhood knocking door by door. I have also volunteered with the Montebello Teachers Association when they have phone banks asking voters to support or not support propositions, measures, and board of education candidates. In many instances I have also made calls or sent letters to local and state politicians to urge them to support or not support certain actions that the current presidential administration has done.

**2. State briefly why are you are applying and/or are interested in this position**

I am very interested in applying to be a State Lobby Corp Officer because I believe that it is in the best interest of the students to assure that our state officials make decisions that are in the best interest of the students. I find importance in this because students are the future of this country and we need to assure that all students have an opportunity to receive a higher education, as it is very beneficial to society as a whole. I would like to have direct contact whether it be by phone or in person with state officials to make sure that the state does all that is possible to assure that students can receive a high-quality education at a low cost.

**3. What do you feel are some of the major problems facing the students of CSULA?**

Students at Cal State LA all come from a very diverse background, not only from here locally in California but even from around the world. One of the biggest challenges that comes with this diversity is gaining that sense of unity, bringing us all together. I believe that regardless of how much different a classmate might be, we are both Golden Eagles, and that should not only bring us together but make us feel pride. Very often do I hear, you went to Cal State LA, that's like high school all over again. My response is always that it is not, although many of my classmates from high school attend Cal State LA, the university offers a completely different experience and allows one to meet new people and widen their learning scope. Once again, this ties in with the pride issue, students here at Cal State LA have to have a sense of pride which could be challenging but at the same time attainable with recent efforts by the school.

**4. List activities and/or organizations that you have been involved with (on or off campus)**

Boy Scouts of America-Youth and Adult Volunteer  
Order of the Arrow-Scouting's Honor Society-Served as one of 46 Section Presidents in the Nation for two years, Served on Conference Management Committee for a National Conference as a Conference Lead, Served on various Regional and National Taskforces  
Montebello High School AVID-AVID Tutor and volunteer on AVID Club Advisory Council  
Equal Opportunity Program  
Applied to Pre-Law Society at CSULA
