Application Ref ID: 4592 | Submitted: Thursday, September 27, 2018 - 10:31am

First Name:	Shaunteria	Monday:	12:00PM to 1:00PM & 5:00PM to 6:00PM
Last Name:	Guerrier	Tuesday:	12:05PM to 1:40PM & 4:15PM to 6:00PM
Position:	Spirit Commissioner	Wednesday:	3:00PM to 6:00PM
Major:	Political Science (Public Administration)	Thursday:	12:05PM to 3:05PM & 4:15PM to 6:00PM
Class:	Junior	Friday:	1:00PM to 6:00PM

1. What previous experience have you had in the area in which you are applying for?

Previously in my hometown I served as a Miami Dade County Youth Commissioner, in which I was later appointed as chairmen of this board. On this board my responsibility was to create and plan out events for the youth in my community in order to encourage them to become more active members in the communities in which they reside in. These events were targeted, but not limited to, education, civic engagement, and much more. On this board, it was also my duty to attend and speak on panels at forums and round table discussions, and speak to elected officials on the state and national level in order to make a difference in my community.

2. State briefly why are you are applying and/or are interested in this position

I am applying for Spirit Commissioner because I would like to make a change in the school spirit here at Cal State LA. I believe that being involved on the Cal State LA cheer leading squad has allowed me to have an insider's perspective on the what the school spirit is like here at this institute. Because I have experienced this hands on and realized that it can improve tremendously, I would like to take a stance and be a part of this change. I believe that increasing school spirit is important because it can improve someone's college experience while helping students create memories that they can have with them even after they graduate.

3. What do you feel are some of the major problems facing the students of CSULA?

I think the prominent issue that students face at CSULA is the lack of school spirit. Because CSULA is a commuters' campus consisted of mostly older students, it is challenging to have lots of students become involved in school events. I also think that a major problem facing the students of CSULA is parking. Of course, we all know that this has been a major issue for some time. Because the amount of parking spaces is not, at least, somewhat equivalent to the amount of students, this can sometimes cause students to be late for class which in the long run can affect a student's overall performance in a class.

4. List activities and/or organizations that you have been involved with (on or off campus)

- *Cal State LA cheerleader squad
- *Miami Dade County Youth Commissioners
- *Coalition for Juvenile Justice Emerging Leaders Committee
