<b>Position:</b>	ASI Funding Sub-Committee - Student Committee Member	<b>Wednesday:</b>	12:00PM to 1:30 PM
<b>Major:</b>	MATH	<b>Thursday:</b>	no hours
<b>Class:</b>	First Year	<b>Friday:</b>	12:00PM to 2:00PM

**1. What previous experience have you had in the area in which you are applying for?**

I do not have a lot of experience in the areas of finances and student government, but I hope that through this position, I can learn more about how ASI manages finances.

**2. State briefly why are you are applying and/or are interested in this position**

I would like to specifically join the Finance Sub-Committee because they work with club funding smaller than the main Finance Committee and to learn more about club funding and how it works. Also, I want to be more involved with ASI on our campus, and I believe that becoming a Student Committee Member is a great way to do this.

**3. What do you feel are some of the major problems facing the students of CSULA?**

From what I have experienced, a problem facing some of the students is trying to receive ASI funding. I think that some students may start a club and become intimidated by the process of applying for funding. Even if the process is meant to be difficult in order to lower the amount of request, I believe that it would be better for the process to become easier. I believe that having more clubs involved and applying for funding can create more enthusiasm for making and hosting events that bring the campus together.

**4. List activities and/or organizations that you have been involved with (on or off campus)**
