1. What previous experience have you had in the area in which you are applying for?

I am currently the President of the Business Honors Association, working alongside a team of officers and club members. I also started a Finance Business in January of 2018, educating middle and lower class families about concepts of wealth and helping them save for retirement. I also learned from the funding department in training with Transamerica. As a senior associate, I manage a team of over 10 licensed agents to provide financial planning across the community. The skills that I learned to run my own business as an entrepreneur were inherited from my time as an intern at Cintas Corporation. While working at Cintas for a year 1/2, I assisted the shift manager and helped garment output reach a day ahead of schedule. I also managed safety training for over 40 drivers, auditing filing for every test completion, and conducted training classes regarding fire hazards and safety inside the plant. Nonetheless, I also possess many experiences from volunteering that helped me learn how to lead and deal with funding for non profit organizations.

2. State briefly why are you are applying and/or are interested in this position

I am interested in this position because I enjoy providing quality service to clubs who possess a mission to serve our school in many positive ways as clubs and organizations. I also feel I am a good fit for the position of Student Committee Member because I am a quick and efficient learner who looks to improve his own skills and teach others.

3. What do you feel are some of the major problems facing the students of CSULA?

I believe that there is not a sufficient amount of funding for students who are in clubs at CSULA. I feel there can be many great ways to assist students in general finances regarding applying financial aid and paying for tuition. Many students are unaware of the financial services available to them on campus and I feel spreading awareness is important to get them properly informed about finances. Another major problem facing students at CSULA is a lack of involvement. Many students believe they do not have sufficient time to participate in extra curricular activities, when that is crucial to having a valuable college experience.

4. List activities and/or organizations that you have been involved with (on or off campus)

On campus, I am President of the Business Honors Association.
A member of the National Society of Leadership and Success.
A member of the National Society of Collegiate Scholars.
Cadet in the Los Angeles Fire Department for 2 years.
Volunteer at the YMCA of Greater Long Beach.
Volunteer for Kiwanis Key Club for 3 years.
Stage Production Assistant for the Cambodian Music Festival in 2014.
