Major:	Mechanical Engineering	Thursday:	9AM to 5PM

1. What previous experience have you had in the area in which you are applying for?

I am a Navy Veteran (served 2007-2013), my father is a Vietnam Veteran, and my grandfather was a Navy Veteran. I have spent most of my time on campus, outside of lecture, at the VRC on campus. 2. State briefly why are you are applying and/or are interested in this position

Veteran's issues and success is one of the most important I am concerned with and that starts with ensuring that Veterans have a voice on campus at Cal State LA. I am eager to be engaged on a campus wide level and being an integral part of representing the Veteran community on campus.

3. What do you feel are some of the major problems facing the students of CSULA?

Rising costs of higher education, student loans, employment prospects post graduation, mental health support and awareness, availability of classes and graduation rates. For Veterans specifically, feeling appreciated and respected, academic advising/education planning, having diverse views and opinions presented and accepted.

4. List activities and/or organizations that you have been involved with (on or off campus)

Ben Lomond Elementary School Parent Teacher's Association (Present), Mount San Antonio College Facilities Master Planning (Sustainability Council), Energize Colleges (Facilities Intern, Summer 2017), Veterans Resource Center
