1. What previous experience have you had in the area in which you are applying for?

I participated in the 2018-19 elections where I observed the entire process. I reviewed the elections committee policy 004 and am familiar with the guidelines for candidates and the duties of the committee. I was present when the elections commissioner began working on the elections process and have observed all the great things she has accomplished thus far.

2. State briefly why you are applying and/or are interested in this position

I want to support to give as much support as possible to the elections commissioner in the absence of a Vice President for Administration and a Senior Programs Coordinator. I also want to review the Elections policy with the elections committee and make sure it is updated to better fit the needs of the organization.

3. What do you feel are some of the major problems facing the students of CSULA?

The lack of student support in the elections committee, the promotional efforts of ASI, and poor communication between the students and Administration.

4. List activities and/or organizations that you have been involved with (on or off campus)

ASI, ASI programs, CSSA, ASI meetings
