Six Faculty members—one from each of the six academic colleges

Elected by the Senate Executive Committee

Exec Liaison

Elected by Associated Students Inc.

Undergraduate Student Senator

Functional Area Representation:

ASI President or designee

Associate Dean of Undergraduate Studies

Dean of Students

Director, Educational Opportunity Program (EOP)

Vice Provost for Diversity and Inclusion, University Diversity Officer

Vice Provost for Enrollment Services

Vice Provost for Planning and Budget

Appointed by the President (*with the understanding that their availability may be variable*)

One LAUSD or high school representative

One ELAC representative or One LA Community College District representative

One PCC representative

One Cal State LA College Dean

Charge:

The Enrollment Management taskforce will be responsible for advising the President about all implementation aspects of the proposal for expanded program impaction, as reviewed and approved by the Chancellor, including but not restricted to the reduction of the University's unfunded student enrollment, admissions policies, the size and rate of growth of student enrollment, and procedures for communicating the University's enrollment plans to affected constituencies within and without the University. The taskforce is also charged with the responsibility for ensuring broad and meaningful consultation on enrollment matters within the University community and with our external constituencies.
