Position:	University Auxiliary Services Board (UAS) - Committee Member	Wednesday:	
Major:	Educational Leadership	Thursday:	
Class:	Graduate	Friday:	

1. What previous experience have you had in the area in which you are applying for?

I was involved in the University Auxiliary Services Board Committee in previous semester. I really appreciate the opportunity to meet and connect with different members, staff, and faculty from different fields, and how we work together to build a better community at Cal State LA.

2. State briefly why are you are applying and/or are interested in this position

I'm interested in this position because I would like to be a part of making positive changes to the Cal State LA community. I want to serve in a leadership position and to represent students' needs, how to improve the quality of student experience on campus, and how to build a stronger community at Cal State LA. I'm enthusiastic to network and connect with different groups of students, administrators, faculty, and members in the community. I would like to be a positive difference maker not only on campus but also in the community here at Cal State LA.

3. What do you feel are some of the major problems facing the students of Cal State LA?

I think one of the major problems facing the students of CSULA is how to balance resources and support services that cater to students' needs in terms of helping them to be successful with their academic works and extracurricular activities on campus. Many students struggle to find support for maintaining a balance between their professional and personal lives with their schedules such as classes, activities, work, internship, volunteer, etc. The second issue is how to develop and provide more affordable housing options for local students, out-of-state students, and international students. Another problem would be focusing on the well-being of students, how to make avenues of mental health more accessible to students, how to offer more affordable options for healthcare coverage, and other issues related to student health.

4. List activities and/or organizations that you have been involved with (on or off campus)

National Society of Leadership and Success
Golden Eagle Productions
USU Board of Directors Committee
University Auxiliary Services Board Committee
