|--------------------|--------------------------------|-------------------|------------------------|
| First Name: | Amy | Monday: | 12-2:30pm and 4:30-6pm |
| Last Name: | Vasquez | Tuesday: | 12-6pm |
| Position: | Environmental Policy Committee | Wednesday: | 12-2:30pm and 4:30-6pm |
| Major: | Environmental Science | Thursday: | 12-5:30pm |
| Class: | Graduate | Friday: | |

1. What previous experience have you had in the area in which you are applying for?

As an Environmental science major I have taken many environmental classes and am familiar with sustainability and justice issues. My current thesis research project is aimed at addressing environmental injustices in low income communities of LA by using biodiversity measures to inform park management practices.

2. State briefly why are you are applying and/or are interested in this position

My main reason for applying is that I am passionate about creating and maintaing a healthy environment. One way to do this is by limiting the impact that humans have on the environment, which means encorporating more sustainable practices in our daily lives. There is so much room for improvement on our campus in terms of sustainability, and I want to help make our school a 'greener' entity.

3. What do you feel are some of the major problems facing the students of Cal State LA?

Probably their lack of awareness of their surroundings and environment. I often see students walking across campus with their faces glued to their phones or preoccupied with other things, and they don't even seem to notice the birds flying right past them. I think that if students were more aware in general, they might begin to appreciate and care for their environment a more.

4. List activities and/or organizations that you have been involved with (on or off campus)

I am part of the Naturalist club on campus and have recently been appointed treasurer for the upcoming school year. I have also been working as an ESTEAM (Environment, Science, Technology, Engineering, Arts, and Mathematics) curriculum instructor for children this summer.
