First Name:	Alejandro	Monday:	4PM to 5PM
Last Name:	Oviedo	Tuesday:	4PM to 5PM
Position:	ASI Associate Justice	Wednesday:	9AM to 11AM & 4PM to 5PM
Major:	Political Science	Thursday:	4PM to 5PM
Class:	Junior	Friday:	9AM to 11AM & 1PM to 3PM

1. What previous experience have you had in the area in which you are applying for?

As a Political Science Major, I have taken courses that not only help my knowledge in government but also give better knowledge on how institutions coordinate in par with other entities.

2. State briefly why are you are applying and/or are interested in this position

I am a political science major and believe this position would be most appropriate in engaging with students and have a better understanding on how to accurately review policy. I believe this position will help my knowledge of properly reviewing existing policies and help resolve disputes in future committees.

3. What do you feel are some of the major problems facing the students of Cal State LA?

I believe student engagement in CAL State LA is a common problem faced. Students today may not see ASI as important to the school. Students may not be as informed about what ASI does and rather see ASI as just another "club." To change that perception, I believe the position of associate justice is appropriate in providing a more inclusive space. The revision of policy will reassure that the representation of students is properly addressed and appropriated.

4. List activities and/or organizations that you have been involved with (on or off campus)

I am currently enrolled in Pols 4202 (Model United Nations) which will help me as a student to have a better understand how committees work and the proper requirements, resolutions require to solve issues the United Nations is trying to accomplish. In joining this class I have also joined the United Nations club which helps with gaining an even better understanding with Model United Nations
