Hello Candice,

We are Baja SAE , an organization on campus that focuses on bringing stem majors together in the building of an off-road vehicle.

We are trying to host a " Baja SAE Frame Build Day" on October 7,2019. I have attached the Event registration form, in hopes of you helping us out to get it approved. We need to get it approved ASAP to be able to submit funding for ASI and be able to catch the next meeting. We are unable to submit the paperwork through presence, seems like the website might be down. But at soon as the website is back ad running we will submit there . Thank you so much for your time.

Attentively waiting,
