Abstract

ASI Spirit Commissioner - Victor Ceballos

Current Budget

SPIRIT AND PRIDE INITIATIVES ALLOCATION			\$15,450
Athletics Events	Special Home Game Events	\$5,000	
2019 SPIRIT WEEK - BASKETBALL HOMECE		\$8,000	
Spirit Shirts		\$2,000	
Special Event Publicity and Large Scale Decals		\$450	

Proposal:

According to ASI Programming & Advocacy Budget Breakdown, Spirit Commissioner is allocated \$15,000 dollars. However, thousands of dollars are allocated to different events such as Athletics and Spirit Week yet none to Large Scale Programming. There was a cut on the Luckman Student Concert Series that could've been used to create an event like *EAGLEHELLA*. Only four-hundred and fifty dollars are allocated to special events and large scale decals. Adding a line item for Large Scale Programming will give the opportunity for Spirit Commissioners to have a budget to work with for any event that's unrelated to Athletics or Spirit week. This position is to increase school spirit and align with the Cal State LA goals.

Reason:

Many people think that they know the culture of Cal State LA students but our campus is special to understand. Our population is diverse. Our students are passionate about advocating for minorities and standing up for what is wrong in American society. Cal State LA students represent a diverse, uniquely talented, and cultivated group of individuals who become innovative leaders in their professional and civic lives. Our students deserve to be represented correctly with a student body that puts the student's interest first. I would like to introduce the Golden Eagle Spirit Committee, where I will plan the large-scale program to celebrate Golden Eagles for their achievements. Reason for creating a new spirit committee is because Spirit

Collaborations is a faculty based. The ASI Golden Eagle Spirit Committee will allow students to collectively structure quality programs that will give pride to their achievements. In my opinion, I don't believe faculty based committees are able to transpire Cal State LA student goals. The students deserve an end of the year event that will allow the University to recognize their graduating student, as well as alumni and lower division students.
