<b>Position:</b>	College of Arts and Letters Representative	<b>Wednesday:</b>	
<b>Major:</b>	Music-BM	<b>Thursday:</b>	
<b>Class:</b>	First Year	<b>Friday:</b>	

**1. What previous experience have you had in the area in which you are applying for?**

I have been in the student government in high school and my main role was organizing the arts and entertainment events and collecting feedback regarding them, therefore I think I have the same perspective when it comes to hearing out the issues and suggestions of the students of the Arts & Letters College. I have also been in the MUN club of my school for several years therefore know how a committee works within itself.

**2. State briefly why are you are applying and/or are interested in this position**

I am interested in this position because I am currently a music major and seeing that my college is not represented in the ASI body made me disappointed. I want my college to be engaged and involved with the university and also the university community to be aware of all that we offer.

**3. What do you feel are some of the major problems facing the students of Cal State LA?**

I think a lot of students really struggle on finding motivation and finding time to balance work and studies, However personally I think both of these issues become larger because of the lack of school spirit. There are a lot of events organized on campus but there is nothing wider like a school dance, a school-wide tournament or a festival that would take a day off from everyone. That makes it really tough for the members of the college to bond with each other, and when the other personal problems hit it makes everyone fall back on motivation and passion for what they're studying in.

**4. List activities and/or organizations that you have been involved with (on or off campus)**

I have attended to Model United Nations conferences for several years in different positions such as: a delegate, a chair, an academic observer, admin, press member and the Secretary - General. I was also in the student government in high school as both a class representative and the head of organization for all events regarding arts and entertainment. I was also in our college volunteering club TDP (Public Awareness Projects). Right now I am in the Golden Eagle Radio, Commercial Music Ensemble and I am volunteering at the International Office.
