While I was in high school. I was president of AVID where I organized meetings and fundations to visit college campuses and support AVID students in applying for colleges and social schools. While an undergodulate student, I was hearly involved or campus as a new writer for the campus needs required to the campus needs of the campus needs and the companies of the campus needs of the

2. State briefly why are you are applying and/or are interested in this position

I am a current graduate student in Latin American studies at the College of Arts and Letters, I would like to represent my college in order for us to have a voice in campus governance and the changes that affect us.

3. What do you feel are some of the major problems facing the students of Cal State LA? $\label{eq:continuous}$

Many students, like myedi, are first-generation undergraduate and graduate students who must ravigate a system of higher education that we believe can do more to accommodate the struggles and challenges facing first-generation students. We must do more for first-year students to make them feet a part of a underly community by addressing book insocurity, work-school balance, and campus involvement so these students are more [Rely to stay and finish their degree.

4. List activities and/or organizations that you have been involved with (on or off campus)

Latin American Studies Association Bienestar (Latino LGBTQ organization) The University Times AVID
