**Are you aware that you must maintain a 2.5 GPA each semester while in office?** Yes

**Have you earned less than (150)-semester units?** Yes

**What previous experience have you had in the area in which you are applying for?**

I have sat in the Legislative Affairs Committee as a member of the Lobby Corp in which I called legislators, attended advocacy events, and researched bills impacting education. I also had the chance to attend many CSSA meetings and two CHESS Conferences which I would have to attend ad VPEAA. I was also a Special Officer for CSSA which helped me become familiarized with CSSA and its functions.

**State briefly why are you are applying and/or are interested in this position**

I am interested in serving as VPEAA because local, state, and federal advocacy is something that I have always been very passionate about. I enjoyed the work I did while part of the legislative affairs committee. I am also interested in being a part of CSSA because that is a very effective body when it comes to making change and advocating for students.

**What do you feel are some of the major problems facing the students of Cal State LA?**

I believe right now with alternative instruction and the COVID-19 crisis there is a huge concern with equity on campus and students being able to succeed in school at home the same way as when they were on campus. When we resume back to traditional instruction one of our biggest problems as students is finding ways to engage with the campus community when there are other things that students have to worry about.

**List activities and/or organizations that you have been involved with (on or off campus)**

Associated Students, Inc (2018-2020)-College Representative  
California State Student Association (2019-2020)- Alumni Council Liaison  
CSU Alumni Council (2019-2020)- CSSA Liaison
