State briefly why are you are applying and/or are interested in this position

I am applying for the position of Associate Justice because I want to have a direct impact on the decisions that are made for the university. Being an Associate Justice will allow me to contribute my thoughts, opinions, and suggestions that could help improve aspects of Cal State LA. Additionally, I am applying for this position because I found it interesting that Associate Justices will attend Board of Director meetings and sit on various committees.

What do you feel are some of the major problems facing the students of Cal State LA?

Some major problems that are facing the students of Cal State LA are the costs of tuition, transportation expenses, and mental health/wellness. I hope that if I join ASI, I can help address these issues.

Organizations that I have been involved with are EEP Club, Debate Club, my church basketball team, and my dad's dental office.
