**State briefly why are you are applying and/or are interested in this position**

I want to work as PRMC because I can help to promote ASI brand image and develop collaboration opportunities. I have various innovative ideas on promoting ASI. I have a close connection with CSSA Club leaders, so if we have events or activities it will be simple to communicate with Chinese International students.

**What do you feel are some of the major problems facing the students of Cal State LA?**

Due to the COVID-19 and protesting against racism and police brutality, our students really need the support from us. It is easy for anyone at this time mentally or physically. what our students need is the sense of belonging and support, like "I hear you. I got you. I'm here for you".

**List activities and/or organizations that you have been involved with (on or off campus)**

I was one of the founders of an environment science club in PCC. I was PRMC last semester, and I helped to promote spirit week competitions and judged all the works.
