Note: maybe simplify down

4. Guidelines:

- 4.1. The following guidelines reflect the prices at which the ASI Finance Committee will fund Cal State LA clubs and organizations for items and goods in the categories of Hospitality, Honoraria, Marketing, and Other. All allocations must be associated with an event that is open to all Cal State LA students.
  - 4.1.1. Hospitality: (per estimated Cal State LA students in attendance only)

Commented [NTT2]: These guidelines should be for items where we want to change them easily. For example, we might want to add stuff and stipulate it here like changing how much we fund for catering service. It's easier because we only need to go through the funding sub-committee. But we need to make sure it doesn't go against the main document Policy 204 where things that we will not fund (harder to change cause BOD) are.
