What previous experience have you had in the area in which you are applying for?

As a female Latinx, throughout my life I have experienced racism and sexism within places that have been dominantly Caucasian. My parents have been discriminated against for speaking their native tongue. However, despite the racism that was experienced it was important for me to realize the significance of my culture and find ways in which I can embrace it. I do not have any experience holding an important position in office but I believe what is most significant is the experience outside that people of color have been through.

State briefly why are you are applying and/or are interested in this position

I wish to add more culture within our campus from different view points and different races. I'm interested in learning more about how to make other students feel comfortable with sharing their cultures and traditions on campus. The main reason for my interest is making others feel that they are allowed to express who they are. That doesn't only apply to race, but to gender and sexuality as well.

What do you feel are some of the major problems facing the students of Cal State LA?

Many students at Cal State LA all battle something going on in their lives emotionally or mentally. What I believe is the major problem is the support that they're missing. Students need to feel welcome outside of home and have the opportunity to make more friends. Cal State LA is known to be a commuter school, I know that many aren't aware of the resources around them that can help them with issues personally or with school. Another issue is the mindset of dropping out, I personally know so many students who have become close friends of mine that believe they should drop out due to issues at home or issues with paying for tuition.

List activities and/or organizations that you have been involved with (on or off campus)

I am currently a part of a sorority at Cal State LA where soon we will eventually be able to hold fundraisers supporting organizations. I have done volunteer events such as picking up trash at local beaches, and mostly volunteering in elementary school classrooms near me. In the classrooms, I organized files, got to tutor students with homework after school and supervised their playtime when in recess.
