Have you earned less than (150)-semester units? Yes

What previous experience have you had in the area in which you are applying for?

I am the incumbent associate justice. I have been elected to the position of Treasurer on the National Junior Honor Society, and before that, public relations officer in the National Junior Art Honor Society. I have founded and been on positions of leadership in many other clubs, such as history bowl, history bee, and quiz bowl at my school.

State briefly why are you are applying and/or are interested in this position

I am an incumbent for this position, but I was only an associate justice for the last few months of the last term. This, combined with the pandemic, means that I was not able to effect much change in ASI at that point due to the shockwave and panic created by COVID 19. I would like to continue the work we are doing as justices and help support the student government and college in this dire time.

What do you feel are some of the major problems facing the students of Cal State LA?

The biggest problem which has eclipsed the student population is the quarantine, which has affected many different students in a variety of ways, from not being able to socialize with fiends to not being able to utilize many resources and assistance the university has provided in the past.

List activities and/or organizations that you have been involved with (on or off campus)

I have been a part of EEP club and a founding member of the Latin club, and most recently have been in ASI.
