What previous experience have you had in the area in which you are applying for?

One previous and recent experience that I have is holding VP for my sorority chapter here on campus. This position has allowed me to work with my sisters here on campus as well as other chapters across California. Holding this position as well as other chairs has allowed me to learn how to balance multiple schedules at once while being an active member in another organization.

State briefly why are you are applying and/or are interested in this position

I am interested in this position because since my sophomore year I began to get involved on campus. I understand this role is being a representative for my college which I am proud to be apart of. Taking this position will allow me to grow a better network within my campus and college.

What do you feel are some of the major problems facing the students of Cal State LA?

One major problems students face are that class schedules aren't as flexible as possible to students needs. Coming from a full time student and employee its difficult to find classes that allow me to work around almost 3 schedules. Majority of classes that get offered are in the morning and afternoon but a lot of times those aren't realistic schedules for upper division courses.

List activities and/or organizations that you have been involved with (on or off campus)

I am currently apart of
-Sigma Lambda Gamma National Sorority Inc.
-Hermanas Unidas
