**What previous experience have you had in the area in which you are applying for?**

I have experience as a Board Member for both SHESS and IEEE Student Organizations during the 2019-2020 school. As a Board Member, I have attended ASI events, created flyers, hosted meetings, and delegated a budget. From my experience as a Board Member of Student Organizations, I have gained the necessary skills to be a Board Member for the College of Engineering.

**State briefly why are you are applying and/or are interested in this position**

I am applying because over the last four years Cal State LA has been my home. As a student, I understand the struggles that many of my peers go through and I want to the best to make the best experience for my fellow students.

**What do you feel are some of the major problems facing the students of Cal State LA?**

Some of the major problems that students at Cal State LA relate to the fact that Cal State LA is a commuter school. This creates a lack of involvement and a disconnect between students and faculty. In addition, there are socioeconomic issues such as students supporting families, students working to make ends meet which can impact the graduation rate of students.

**List activities and/or organizations that you have been involved with (on or off campus)**

SHESS Vice President of Internal Affairs- 2019-2020  
 IEEE Vice President Spring 2020  
 SHESS Committee Member 2017-2018
