**What previous experience have you had in the area in which you are applying for?**

As a previous college graduate from East Los Angeles College I had the pleasure of working as a student advocate for the art department in 2018-2019. We had weekly meetings about art, culture, history and awareness, we planned many events pertaining to art and culture, social issues and discrimination however, we as a group respect and uplift each other through awareness and learning from one another. As an advocate I fought for students rights, and encouraged others through community engagement activities and volunteering. Even curating a student exhibition through the Vincent Price Art Museum in 2019. Furthermore, I took part in the Los Angeles County Arts and Cultural Internship in 2019, where I learned about different community members and cultures as I engaged in community workshops, concerts, art making events, event planning, and being apart a historic Mask festival event in the Leimert Park; where we celebrated culturally differences, took part in social issues, and treated each other as individuals.

**State briefly why are you are applying and/or are interested in this position**

As far as I can remember in my childhood, my family engaged in many political events and committees. Before my dad passed away last year, he was the President of The African American Black Caucus, took part in several Democratic Party campaigns and was on several committees in the Antelope Valleys and Los Angeles Area. My dad always told me to fight for whats right and what I believe in, always give back and serve others if you want to make a difference; and keep pushing in order to see change.

Watching my father inspired me to be that change, I want to be able to inspire others and make a difference as my father did in his community. With all the unfortunate killings among young black and minority individuals it is more than ever a time to bring awareness, support and resources. I want to make a difference whether it is being a voice for others, or being able to inform myself and others about social issues. Furthermore on how we can bring diversity and inclusion to the Cal State LA community . Ultimately, I want to help others in my community, celebrate our differences, raise awareness and be apart of the solution in any way I can.

**What do you feel are some of the major problems facing the students of Cal State LA?**

I feel sometime there is a lack of diversity when it comes to underrepresented cultures and individuals. I believe raising awareness of these groups and social issues, and supporting as well as connecting them to the right resources can promote more diversity.

**List activities and/or organizations that you have been involved with (on or off campus)**

Pan-African Studies events, EOPS events, 1st in the Family Art Exhibition 2019 (CSULA Library) Coma Gallery Art Show 2019-2020, Thanksgiving Turkey Drive 2019 (Boys and Girls Club, Maxine Waters Christmas Drive 2019, Los Angeles County Arts and Cultural Internship 2019, Vincent Price Arts Museum Student Exhibition 2019.
