I am applying to be a Student Grievance Committee member because I am interested in what I can do to help improve students' experience at CalState LA.

What do you feel are some of the major problems facing the students of Cal State LA?
One of the biggest problems at CalState LA right now is the adjustment caused by Covid-19. As this is the first semester during this pandemic it is not expected for everything to go smoothly and any previous problems will be amplified. Some of the notable areas that would be affected by Covid-19 would be academic advising, technological issues, and classes that are heavily based in person (such as labs).

List activities and/or organizations that you have been involved with (on or off campus)
I am currently involved in ASI as a representative for the College of Business and Economics and am the Secretary for the PreLaw Society.
