<b>Undergraduate Applicants</b>	

**Have you earned at least six (6)-semester units of academic credit per semester at Cal State LA during the past 12 months prior to application (not including remedial courses)?** Yes

**Will you be enrolled in at least six (6)-semester units of academic credit during the semester you are applying.** Yes

**Are you aware that you must be enrolled in a minimum of six (6) units per semester while in office?** Yes

**Are you aware that you must maintain a 2.5 GPA each semester while in office?** Yes

**Have you earned less than (150)-semester units?** Yes

**What previous experience have you had in the area in which you are applying for?**

In terms of reallocating for the College of Arts and Letters, I have experience through the social media platform that I created with the other College of Arts and Letters Representative. Through that platform, we pass on useful information and resources such as: due dates, clubs, activities, or tutoring of some sort. We also give students a chance to speak on things that is on their mind or even worries them.

**State briefly why are you are applying and/or are interested in this position**

I'm applying to this position because I believe allocation is connected to advocating. Being a Board of Director that represents the College of Arts and Letters, I advocate for that specific college rather it's on the students behalf or the faculty. I aspire to be able to present students with information that will allow them to strive during this remote semester.

**What do you feel are some of the major problems facing the students of Cal State LA?**

A major issue the students are facing in the College of Arts and Letters is not being able to contact various staff within the college about their concerns. Students either feel they're uncomfortable or don't know who to contact directly.

**List activities and/or organizations that you have been involved with (on or off campus)**

I was a part of Changemakers, an organization that focuses on the mental well-being of students. I was a Student Ambassador for the Outreach and Recruitment Department. I was a part of The Middle Leadership Academy, I served as a communicator between both faculty and students. Lastly, I am the Arts and Letters College Rep.
