As an active gallery artist and photographer I have coordinated, curated and took part in several events, exhibitions and projects. Which include two curated art shows at CSULA Coma Gallery. Lastly, I coordinated several art workshops and community events through the Los Angeles County Arts and Cultural Department and LA Commons in Los Angeles.

**State briefly why you are applying and/or are interested in this position**

I applied for this position because I want to make a difference in my community by coordinating programs and policies that can help students on campus. As a student that has participated in many programs from the Student Health Center, EOP&S, OSD etc, I think it is important that students are aware of programs and resources offered to them. Furthermore, I consider myself resourceful and effective at resolving problems and coming up with solutions that can further help and encourage students.

**What do you feel are some of the major problems facing the students of Cal State LA?**

I think on of the biggest issues students are unaware of certain programs and services that are offered to them. Another problem is student don't know where to ask for help and in some instances too afraid or ashamed to ask for help.

**List activities and/or organizations that you have been involved with (on or off campus)**

ASI, We Love Leimert, East LA Rising Boys and Girls Club, Coma Gallery at CSULA, EOP&S 1st in the Family Art Exhibition, ELAC Art and Technology Group, CSULA Summer Bridge Program.
