Anna Bing Arnold Children's Center

- Targeted population- Cal State L.A student parents
- Provides 102 children daily and enrolled 110 families
 - *Flexible scheduling, reduced rates for students, tuition assistance for low-income families (student parents are given first priority)*
- Center increased capacity and funding for low-income parents, has a state-funded food program
- Helps to maintain the program quality for the essential building of the children
- Child care is subsidized and supported with ASI funding
 - *Allows for student families to receive free or low-cost child care*
 - *Other families can also receive a reduction in child care information*

Anna Bing Arnold Children's Center (cont.)

- Hot meals are provided for all children free of charge, and are balanced
- Child Development and Education majors have the opportunity to work, observe and study
 - *Provides employment and educational opportunities for students (50 part-time Child Development majors as classroom teacher assistants)*
- This is also an accredited program by the NAEYC (National Association for the Education of Young Children) , which only 8% of centers in the U.S are.
- Staffed with 12 assistants and can provide good overview and class number size

EPIC (Educational Participation In Communities) cont.

- Allows University students to “realize their full potential as productive, responsible and caring citizens by volunteering in a wide range of agencies serving a broad spectrum of communities throughout the Los Angeles area.”
- Service Learning
 - *Guide student placement that connects service and course learning outcomes and serving the community with classroom theories*
- Community Partner Agency Fair
 - *Allows students to engage with community partners with non-profit organizations*
 - *One-day event*

EPIC (Educational Participation In Communities) cont.

- Cal State L.A Gives Back
 - *Students serve a community partner site for a day as well as other campus members to serve.*
- America Reads and Counts Program
 - *National tutorial program that targets elementary school students who are achieving below grade level in reading and math*
 - *Cal State L.A students work with teachers and children as tutors*
 - *It also coordinates college awareness, on top of serving elementary students in establishing good foundations*

EPIC (Educational Participation In Communities) cont.

- Read Across America
 - *Cal State L.A students present at six partner elementary schools on college awareness and student success*
- Cal State L.A, Here we Come
 - *Allows for the Cal State L.A to engage elementary children and elementary staff for a college day experience*
- Summer Youth Employment Program
 - *Allows youth (14-24) to get 120 hours of hands-on work and showing them the higher education system*
- Toy and Food Drive
 - *Engages students through the fall semester to collect food and toys for community families and the Cal State LA Food Pantry, while bringing awareness about issues of food insecurity*

EPIC (Educational Participation In Communities)

- EPIC seeks to develop:
 - *Community engagement*
 - *Personal, social, and Professional Identity Development*
 - *Social Justice*

Erika J. Glazer Family Dreamers Resource Center

- Cal State L.A serves the largest number of undocumented students of the 23 CSUs
- Committed to serving undocumented students and creating a safe environment
 - *Done through Project Abstract*
- Programming will serve to connect and educate students to university and community resources
- Outreach is done through website promotion, newsletters, social media platforms, and flyers
- Scholarships, gatherings, and meetings

Food Pantry

- Supporting Cal State L.A students in addressing food and housing security issues and fosters cultural wellbeing
- Dry pantry with pre-selected/pre-filled bags for students to pick-up upon arrival.
- Students are able to view pre-filled bags to ensure that the bag contains items that they will likely use, with the possibility to swap 1-2 items if needed.
 - *Dietary restrictions are taken into consideration and are honored upon student request.*
 - *Food is supplied mostly from donated goods via campus and community partners, partnership with a local food bank, donated goods from students and others, and partially funded through the food pantries operating budget.*

ECST Acceleration Initiatives

- The Acceleration Initiative is to support students as they get a jumpstart on their careers
 - *Launchpad is part of these programs*
 - Goal is to increase the 15% of female students to 25% by 2025
- It was an engineering and computing camp to inspire people to pursue a STEM-related field
 - *Rising highs school seniors worked on projects that introduced them to different types of engineering and CS*
- Supported ECST Student technical assistants
