Yes

**What previous experience have you had in the area in which you are applying for?**

I was the previous PR and Marketing Commissioner, so I worked with the past Elections and Outreach Commissioner, Wendy. I have experience hosting events to increase ASI's visibility, so I believe I can bring that over to host elections events through zoom to get more students involved with the election and election process. I have a lot of experience doing outreach to students on campus with in-class presentations and tabling from my past position as the PR and Marketing Commissioner and my current role as an Honors College Ambassador. I have experience working with faculty and organizing those presentations. I have also had experience as a marketing and communication specialist for a start-up company, Hello Cheffy, to bring that experience for doing outreach to students.

**State briefly why are you are applying and/or are interested in this position**

I was the last PR and Marketing Commissioner last year, but I was only here for a semester. I feel there is a lot more that I can do in ASI to serve the students of Cal State LA and make our campus open to everyone. I want the opportunity to use the knowledge from my last term here and my previous marketing internships to practice what I learned. I want to serve the students while also gaining more leadership experience. I have a lot of ideas to increase our reach to students, especially online.

**What do you feel are some of the major problems facing the students of Cal State LA?**

The major problems I see facing the Cal State LA community are housing insecurity, food insecurity, and accessibility problems for students with disabilities, especially with technology.

**List activities and/or organizations that you have been involved with (on or off campus)**

ASI PR and Marketing Commissioner-Fall 2019
